

COMMONS REGISTRATION ACT 1965

Reference No. 203/D/81

In the Matter of Land at the Fork of roads  
B.476 and B.3026, Taplow Bucks

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No.CL.144 in the Register of Common Land maintained by the Bucks County Council and is occasioned by Objection No. 96 made by the Executors of Mrs D M Newton and noted in the Register on 16 July 1971.

I held a hearing for the purpose of inquiring into the dispute at Aylesbury on 24 April 1979. The hearing was not attended by any person entitled to be heard.

The registration was made on the application of Taplow Parish Council. The grounds of the objection are that the objectors are the freehold owners of the land over which the public have no rights. There are no rights registered, and in a letter dated the 4 April 1979 the Parish Council state that they would be glad to have the application for registration withdrawn.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 31<sup>st</sup> day of May 1979

Commons Commissioner
