

COMMONS REGISTRATION ACT 1965

Reference No. 203/U/156

In the Matter of The Nob,
Cublington

DECISION

This reference relates to the question of the ownership of the land described above being the land comprised in the Land Section of Register Unit No. VG 37 in the Register of Town or Village Greens maintained by the Bucks County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Cublington Parish Council claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Aylesbury on 2 October 1980.

There was no appearance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Bucks County Council, as registration authority, to register Cublington Parish Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
