

In the Matter of Piece of land in Overcote
Road, Holywell-cum-Needingworth,
Huntingdon D

DECISION

This reference relates to the question of the ownership of land described above being the land comprised in the Land Section of Register Unit No. CL 72 in the Register of Common Land maintained by the Cambridgeshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question ("the Unit land") or to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Cambridge on 8 March 1983.

There was no appearance at the hearing by any claimant. Mr Hill of the County Records Office told me that in an Inclosure Award of 1803 part of the Unit land was awarded as and for public and gravel pits for adjoining owners and road repairs, and another part to a William Smith.

In the absence of any further evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
