Reference No. 205/D/23

In the Matter of The Waste containing
about 1.026 acres in Kingsley, Vale
Royal District, Cheshire

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 28 in the Register of Common Land maintained by the Cheshire County Council and is occasioned by Objection No. 32 made by Mr George Johnson Ford and noted in the Register on 27 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Chester on 3 June 1980. At the hearing Cheshire County Council were represented by Miss Y Jones of their County Archivist's Department.

The registration was made by the registration authority without application. Miss Jones handed me a written request to the Commons Commissioner to confirm the registration, such requests being signed by or on behalf of Mr Ford, the County Council, Vale Royal District Council and Kingsley Parish Council. I am willing to give effect to such requests and I accordingly confirm the registration without any modification.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 23rd — day of *June* 1980

Commons Commissioner
