

COMMONS REGISTRATION ACT 1965

Reference No 52/U/53

In the Matter of Walwen Common,
Ysceifiog

DECISION

This reference relates to the question of the ownership of land known as Walwen Common, Ysceifiog being the land comprised in the Land Section of Register Unit No CL. 78 in the Register of Common Land maintained by the former Flintshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Clwyd County Council claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Llangollen on 6 December 1977.

Mr Fisher appeared for the Clwyd County Council. This land is the subject of an allotment by the inclosure award dated 18 October 1885 mentioned in my decision on Unit No CL. 75, Ref 52/U/50. It is No 35b on the map annexed to that award and this reference is indistinguishable from Ref 52/U/50 and for the reason stated in my said decision.

I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 13th day of January 1978

G. A. Seale

Commons Commissioner
