

COMMONS REGISTRATION ACT 1965

Reference No. 206/R/38

COMMON LAND (RECTIFICATION OF REGISTERS) ACT 1989

In the Matter of Land at Brook House, part of Tremar Coombe Common,
St. Cleer

DECISION

This reference relates to an objection under the Common Land (Rectification of Registers) Act 1989 to the registration of part of the land registered in Entry No.1 in the Land Section of Register Unit No. CL.150 in the Register of Common Land maintained by the Cornwall County Council.

It is occasioned by Objection No. 53 made by A Trueman and referred to a Commons Commissioner on 2 March 1993.

I held a hearing to inquire into this objection at Liskeard on 26 January 1994.

Prior to the hearing the Clerk to the Commons Commissioners received numerous written representations opposing the Objection.

Nobody appeared at the hearing in support of the Objection.

No evidence has been adduced which establishes that the requirements of the 1989 Act are satisfied in relation to the property the subject of the Objection or any part thereof.

In these circumstances I do not consider that the requirements of Section 1(2) of the 1989 Act are satisfied in the case of any of the land to which this objection relates, and I dismiss the Objection accordingly.

I am required by regulation 22(1) of the Common Land (Rectification of Registers) Regulations 1990 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 4th day of February 1994

Commons Commissioner
