

COMMONS REGISTRATION ACT 1965

Reference No. 206/U/112

In the Matter of Porthallow Beach,
St Keverne

DECISION

This reference relates to the question of the ownership of land above mentioned being the land comprised in the Land Section of Register Unit No. CL 372 in the Register of Common Land maintained by the Cornwall County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Camborne on 18 January 1983.

The Secretary of the Porthallow Village Institute Association suggested that the land was owned by Amey Roadstone Corporation Limited. A letter has been written to this Company since the hearing inquiring if the Company owned the land but the Company did not produce any documents which established its ownership of the land.

On this evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
