

In the Matter of The Green, Gwinear-
Gwithian, Penwith D

DECISION

This reference relates to the question of the ownership of land described above being the land comprised in the Land Section of Register Unit No. CL 188 in the Register of Common Land maintained by the Cornwall County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question: information was received to the effect that the land was believed to have been given by a former owner to the Parish.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Truro on 29 June 1982.

The hearing was attended by Mr T C T Odges, Chairman of Gwinear-Gwithian Parish Council and by several rights holders, but there was no claim to ownership.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
