

COMMONS REGISTRATION ACT 1965

Reference No 206/D/109 & 110

In the Matter of Tremarcombe Common,
St Cleer, Caradon D

DECISION

These disputes relate to the registrations at Entry No 1 in the Land Section and all the Entries in the Rights Section of Register Unit No CL. 150 in the Register of Common Land maintained by the Cornwall County Council and are occasioned by Objection No X107 made by British Rail and noted in the Register on 30 July 1970.

I held a hearing for the purpose of inquiring into the dispute at Truro on 15 July 1976.

This hearing came on immediately after the hearing relating to Unit No CL. 159 and was attended by those who attended that hearing. I was told that the facts in this case are indistinguishable from those in the case of Unit No CL. 159 and for the reasons given in my decision relating to Unit No CL. 159 I confirm the Entry at No 1 in the Land Section and I adjourn consideration of all the provisional Entries in the Rights Section.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 4th day of August 1976

C. A. Le HL

Commons Commissioner
