

In the Matter of A Public Watering Place, Gill,
Hutton, Cumbria.

DECISION

This reference relates to the question of the ownership of a public watering place at Gill, Hutton, being the land comprised in the Land Section of Register Unit No. CL 357 in the Register of Common Land maintained by the Cumbria County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Penrith on 16 October 1981.

At the hearing the Greystoke Parish Council was represented by Mr G L Richardson, its Chairman.

The land in question is not used for any purpose, and the Parish Council has never been in possession of it.

On this evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
