

In the Matter of a tract of land known
as High Rigg near Naddle, Keswick

DECISION

This dispute relates to the registration at Entry No. 10 in the Rights section of Register Unit No. CL 21 in the Register of Common Land maintained by the former Cumberland County Council and is occasioned by Objection No. 20 made by J R Birkett and noted in the Register on 2 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Keswick on 1st July 1981. The hearing was attended by Mr R A Moss, Land Agent for the applicant and Mr Birkett in person.

The parties told me that they had agreed a modification of the application subject to which the objection was withdrawn.

For these reasons I confirm the registration with the following modification, that the right is limited to a right to use $13 \frac{1}{5}$ stints or a total of 66 sheep.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
