

COMMONS REGISTRATION ACT 1965

Reference No. 262/D/90

In the Matter of Crosby Ravensworth Fell, Crosby
Ravensworth, Orton and Shap Rural, Cumbria (No. 3)

DECISION

This dispute relates to the registration at Entry No. 40 in the Rights Section of Register Unit No. CL 10 in the Register of Common Land maintained by the Cumbria County Council and is occasioned by Objection No. 2/115 made by the Crosby Ravensworth Commoners Committee and noted in the Register on 16 August 1971.

I held a hearing for the purpose of inquiring into the dispute at Penrith on 24 April 1980. The hearing was attended by Mr T H Hodges, Solicitor on behalf of Mr W Hully, one of the applicants for the registration, and by Mr J T Ralph, the Secretary of the Objectors.

After hearing the evidence adduced by Mr Hodges, Mr Ralph said that while, as stated in the Objection, none of the land mentioned in column 5 of the registration lay within the manor of Crosby Ravensworth, he accepted that the rights registered had become attached to the land by prescription.

In these circumstances I confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
