

COMMONS REGISTRATION ACT 1965

Reference No. 262/D/93

In the Matter of Crosby Ravensworth Fell, Crosby
Ravensworth, Orton and Shap Rural, Cumbria (No. 6)

DECISION

This dispute relates to the registration at Entry No. 35 in the Rights Section of Register Unit No. CL 10 in the Register of Common Land maintained by the Cumbria County Council and is occasioned by the conflicting registration at Entry No. 25 in the same section of the Register Unit.

I held a hearing for the purpose of inquiring into the dispute at Penrith on 24 April 1980. The hearing was attended by Mr Fryer Spedding, of Counsel, on behalf of the Earl of Lonsdale, the applicant for the registration. There was no appearance by or on behalf of Mr C Potter, the applicant for the conflicting registration.

The conflict between the two registrations is occasioned by the fact that the dominant tenement in the registration at Entry No. 25 includes a field O.S. No. 17. This field has for many years been let with Salterwath Farm, which is the dominant tenement in the registration at Entry No. 35.

On this evidence I confirm the registration at Entry no. 35.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
