

COMMONS REGISTRATION ACT 1965

Reference No. 262/D/89

In the Matter of Crosby Ravensworth Fell, Crosby  
Ravensworth, Orton and Shap Rural, Cumbria (No. 2)

DECISION

This dispute relates to the registration at Entry No. 31 in the Rights Section of Register Unit No. CL 10 in the Register of Common Land maintained by the Cumbria County Council and is occasioned by Objection No. 2/114 made by the Crosby Ravensworth Commoners Association and noted in the Register on 14 August 1971.

I held a hearing for the purpose of inquiring into the dispute at Penrith on 24 April 1980. The hearing was attended by Mr D Mellor, Solicitor, on behalf of Mr H Holme the applicant for the registration and by Mr J T Relph, the Secretary of the Objectors.

Mr Mellor and Mr Relph informed me that it was agreed that the particulars of the dominant tenement should not include O.S. No. 471.

In these circumstances I confirm the registration with the following modification; namely, the substitution of the words "plot numbered" for the words "plots numbered 471 and".

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
