

In the Matter of Drumburgh Moss Bowness

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section and at Entry Nos 1-4 in the Rights Section of Register Unit No.CL.153 in the Register of Common Land maintained by the former Cumberland County Council and is occasioned by the conflicting registration at Entry No 1 in the Land Section of Register Unit No.VG.48 in the Register of Town or Village Greens maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Keswick on 2 July 1981. The hearing was attended by Mr Fryer Spedding instructed by Messrs. Dickinson Dees, Solicitors of Newcastle upon Tyne for the Earl of Lonsdale.

The conflicting registration in the Register of Town or Village Greens had been withdrawn. The registration of the Earl at Entry No. 1 in the Ownership Section of Register Unit No.VG.48 was deemed to have been made in the ownership section of the Register Unit No.CL.153

For these reasons I confirm the registration in the Land and Rights Sections and the deemed registration in the ownership section.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
