

In the Matter of Glenridding Common,  
Patterdale, Cumbria (No. 2)

---

DECISION

This dispute relates to the registrations at Entry Nos. 1, 3, 4, 5 and 6 in the Rights Section of Register Unit No. CL 101 in the Register of Common Land maintained by the Cumbria County Council and is occasioned by Objection No. 2/8 made by the National Trust and noted in the Register on 21 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Penrith on 22 April 1980. The hearing was attended by Mr S M Arnison, Solicitor, on behalf of the Trustees of Tynemouth Y.M.C.A., the applicants for the registration at Entry No. 6, Mr P Kershaw, Solicitor, on behalf of Mr R Lightfoot, the applicant for the registration at Entry No. 3, and Mr P Watson, the Land Agent of the National Trust.

The Objection relates to only part of the land comprised in the Register Unit, namely that north of the line A-B and west of the line B-C on the Register Map. It was agreed that only the applicant for the registration at Entry No. 4 was entitled to rights of common over this part of the land, while the registration at Entry No. 1 does not relate to this part of the land. Entry No. 5 relates only to this part of the land, but the applicant for this registration, the National Trust, was agreed to be one of the joint owners of this part of the land.

In these circumstances I confirm the registrations at Entry Nos. 1 and 4, I confirm the registrations at Entry Nos. 3 and 6 with the following modifications, namely the addition in each case in column 4 of the words "with the exception of the land lying north of the line A-B and west of the line B-C on the Register Map", and I refuse to confirm the registration at Entry No. 5.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
