

COMMONS REGISTRATION ACT 1965

Reference No. 262/U/196

In the Matter of Parkhead Quarry, near  
Parkhead Road, Kirkoswald, Cumbria

DECISION

This reference relates to the question of the ownership of land known as Parkhead Quarry near Parkhead Road, Kirkoswald being the land comprised in the Land Section of Register Unit No. CL.142 in the Register of Common Land maintained by the Cumbria County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Messrs. H & W Hullock claimed to be the freehold owners of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Penrith on 22 April 1980. At the hearing Messrs. H & W Hullock were represented by Mr J M Ryder, Solicitor.

It appears from their title deeds that Messrs. H & W Hullock are the owners of a quarry in the parish of Kirkoswald, but this is not the quarry the subject of the reference.

In the absence of any evidence relating to the land the subject of the reference, I am not satisfied that any person is the owner of it and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 5th day of June 1980

Chief Commons Commissioner
