

COMMONS REGISTRATION ACT 1965

Reference No. 262/U/410

In the Matter of Seabanks and Foreshore in  
the Parishes of Oughterside and Allerby and  
Hayton and Mealo, Allerdale D

---

DECISION

This reference relates to the question of the ownership of land described above being the land comprised in the Land Section of Register Unit No. ~~474~~ 474 in the Register of Common Land maintained by the former Cumberland County Council and now by Cumbria County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Keswick on 21 May 1981.

There was no appearance at the hearing other than by Mr Greer of the Registration Authority.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated 29 June 1981

Commons Commissioner
