

In the Matter of The Cairn Quarry, Carlatten, Cumbria.

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 415 in the Register of Common Land maintained by the Cumbria County Council and is occasioned by an unnumbered Objection made by Miss J H Doves and noted in the Register on 4 August 1972.

I held a hearing for the purpose of inquiring into the dispute at Carlisle on 8 April 1981. The hearing was attended by Mr P W Pickles, solicitor, on behalf of the Objector, and by Mr W T Greer, the Commons Registration Officer of the County Council. There was no appearance on behalf of the Carlisle City Council, the successor authority of the former Border Rural District Council, the applicant for the registration, but Mr Greer informed me that the City Council did not wish to make any observations on the matter.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
