

COMMONS REGISTRATION ACT 1965

Reference No. 208/U/5

In the Matter of the pieces of land in the Parish of Holbrook
in the County of Derby known as The Sand Hollows, Moorside Lane
and Moorpool Pond Road, Holbrook

DECISION.

This reference relates to the question of the ownership of the pieces of land known as The Sand Hollows, Moorside Lane and Moorpool Pond Road, Holbrook being the land comprised in the Land Section of Register Unit No. CL453 in the Register of Common Land maintained by the Derbyshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owners.

Following upon the public notice of this reference.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Derby on 12 June 1980.

Mr G T Smithyman and Mr Burgoyne, Chairman and Vice Chairman respectively of Holbrook Parish Council appeared before me. There were no documents of title. Since February 1968 had kept both pieces of land tidy and had employed some one to cut the grass as and when necessary. Some trees had been planted.

On this evidence I am not satisfied that any person is the owner of any part of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 50(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
