

In the Matter of part of a piece of land  
called Bottoms near Dry Bridge, Ramsley  
in the Parish of South Tawton

---

DECISION

This reference relates to the question of the ownership of the land above mentioned being part of the land comprised in the Land Section of Register Unit No. CL 275 in the Register of Common Land maintained by the Devon County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no one claimed to be the freeholder of the land in question and no one claimed to have any information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Exeter on 28 July 1982.

There was no appearance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 25<sup>th</sup> day of August 1982

*George Harker*

Commons Commissioner
