

## DECISION (DISPUTE)

Reference No. 210/D/58-59

In the Matter of Holt Wood  
Holt, Wimborne D

DECISION

This dispute relates to the registration at Entry No. 17 in the Land Section and all the subsisting Entries in the Rights section of Register Unit No. CL 18 in the Register of Common Land maintained by the Dorset County Council and is occasioned by Objection No. 336 made by H J R Bankes and noted in the Register on 3 June 1971

I held hearings for the purpose of inquiring into the dispute at Bournemouth on 27, 28 and 29 April 1976 and adjourned hearings in London on 29 September and 15 November 1976 and 21 July 1978.

The parties are to be congratulated on having arrived at an agreement in the course of the adjournments and for this reason it is not necessary for me to deal in this decision with any of the hearings other than the final hearing on 21 July 1978. At this hearing Mr C George, Counsel instructed by Messrs Gregory Rowcliffe appeared for Mr Bankes and Mr R Thorne of Messrs Philip Evans & Co appeared for all the claimants for rights of Commons who attended any of the previous hearings.

In accordance with the request made by Mr George I confirm the Entry in the Land Section.

As regards the Entries in the Rights Section Mr George produced an agreement made between Mr Bankes and the applicants for rights under the Entries set out in the Schedule hereto, whereby it was agreed that these applicants should have the rights therein provided for and set out in the said Schedule. Mr Thorne withdrew the claim for rights of all applicants who attended any of the hearings other than those who applied under the Entries set out in the said Schedule and I refuse to confirm the Entries of those applicants withdrawn by Mr Thorne and those of applicants who did not attend the hearings or any of them to support their claims.

I confirm the Entries set out in the said Schedule Modified as therein provided.

The Schedule above referred to

<u>Entry No.</u>	<u>Modified Rights</u>
463	Estovers
123	Estovers
129	Estovers and one unit of pasturage
218	Estovers
