COMMONS REGISTRATION ACT 1965

Reference No. 210/U/69

In the Matter of The Green (part), Bloxworth, Dorset

DECISION

This reference relates to the question of the ownership of land known as part of The Green, Bloxworth, being the land comprised in the Land Section of Register Unit No. CL.8 in the Register of Common Land maintained by the Dorset County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Bloxworth Estate Ltd and the Trustees of the McDonald Smith Settlement claimed to be the freehold owners of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Dorchester on 6 March 1984. At the hearing, the claimants were represented by Mr M Hardwick, Solicitor, who informed me that the claim had been made in error.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
