

In the Matter of the tract of about 30.0 acres called
Norden Common in the Parish of Corfe Castle, Dorset

DECISION

This dispute relates to the registration at Entry No. 271 in the Land Section of Register Unit No. CL 271 in the Register of Common Land maintained by the Dorset County Council and is occasioned by Objection Nos. 144 and 916 made by H E Scott Esq and E.C.C. Ball Clays Ltd respectively and both noted in the Register on 19 February 1973.

I held a hearing for the purpose of inquiring into the dispute at Poole on 9 July 1980. The hearing was attended by Mr P H Chesterfield on behalf of the Objectors. The Ramblers Association which had applied for the Registration had withdrawn their application by letter to the Commons Commissioners dated 3 July 1980.

For these reasons I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
