

COMMONS REGISTRATION ACT 1965

Reference No. 210/D/377

In the Matter of this tract of about
3.5 acres or thereabouts forming part
of Throop Heath, in the Parish of
Aifpuddle, Dorset

DECISION

This dispute relates to the registration at Entry No. 284/1 in the Land Section of Register Unit No. CL 284 in the Register of Common Land maintained by the Dorset County Council and is occasioned by Objection No. 984 made by T P Ward and F P Neill and noted in the Register on 19 October 1972, in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Dorchester on 24 June 1980. The hearing was attended by representatives of the Ramblers Association and the Objectors. The Ramblers Association accepted the objection.

For these reasons I confirm the registration with the omission of the land shown hatched red on the plan annexed to the Notice of Objection dated 14 January 1972.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
