

COMMONS REGISTRATION ACT 1965

Reference No. 211/D/120

In the Matter of Haiden Castle Wood,
City of Durham, Co. Durham

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 85 in the Register of Common Land maintained by the Durham County Council and is occasioned by Objection No. 41 made by the University of Durham and noted in the Register on 15 November 1971.

I held a hearing for the purpose of inquiring into the dispute at Durham on 2 July 1980. The hearing was attended by Mr D Perkins, Solicitor, on behalf of the Objector. There was no appearance on behalf of the City of Durham Trust, the applicant for the registration, but before the hearing the Trust informed the Clerk of the Commons Commissioner by letter that the application had been "withdrawn".

Opt
 In these circumstances I confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
