Reference Nos 37/D/92-94

In the Matter of Areas of Manorial Waste,  
Herstmonceux and Hillingly, East Sussex  
(No. 2)

DECISION

These disputes relate to the registration at Entry No 1 in the Ownership section of Register Unit No.CL.121 in the Register of Common Land maintained by the former East Sussex County Council and are occasioned by Objection No. 177 made by Mr H B Cutler and noted in the Register on 28 April 1972, and Objections Nos 197 and 199 both made by the County Council and noted in the Register on 14 August 1972.

I held a hearing for the purpose of inquiring into the dispute at Lewes on 17 November 1978. The hearing was attended by Mr R Greenfield, solicitor, on behalf of Mr N D Green, the applicant for the registration, and by Mr J Holt, solicitor, on behalf of the Objector.

The land the subject of the registration consists of a number of roadside strips, only three of which are the subject of the Objections. The strips the subject of Objections Nos. 197 and 199 have been excluded from the Register Unit by my decision in In the Matter of Areas of Manorial Waste, Herstmonceux and Hillingly (No.1) (1978), Ref Nos 37/D/90-91 and Mr Greenfield informed me that Mr Green did not wish to pursue his application in so far as it related to the strip the subject of Objection No. 177

In these circumstances I confirm the registration with the following modification:- namely the exclusion of the land the subject of Objection No. 177

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 14<sup>th</sup> day of December 1978

  
Chief Commons Commissioner
