

COMMONS REGISTRATION ACT 1965

Reference No.37/D/29

In the Matter of Extended Piece of
Land forming the Green, Playden, East Sussex.

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No.VG 59 in the Register of Town or Village Greens maintained by the former East Sussex County Council and is occasioned by Objection No.208 made by the County Council and noted in the Register on 14th August 1972.

I held a hearing for the purpose of inquiring into the dispute at Lewes on 9th April 1975. The hearing was attended by Mr B.P.M.Bayliss, the applicant for the registration, and by Mr Clements, solicitor, on behalf of the East Sussex County Council.

Mr Bayliss informed me that he did not wish to support the registration, since the land comprised in the Register Unit consists of roadside waste.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 23rd day of April 1975

Chief Commons Commissioner
