

COMMONS REGISTRATION ACT 1965

Reference No 37/U/53

In the Matter of Wilmington Green,
Wilmington, Hailsham R.D., East Sussex

DECISION

This reference relates to the question of the ownership of the part hereinafter specified of land known as Wilmington Green, Wilmington, Hailsham Rural District being the land comprised in the Land Section of Register Unit No CL 50 in the Register of Common Land maintained by the East Sussex County Council. The said part is the part (very small in comparison with the whole) of the land comprised in this Register Unit which is south of the line A-B on the Register map and of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to be have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Lewes on 7 March 1973. Mr S Dumbrell told me that he had a relation who knew something about the land comprised in this Register Unit but he could give no evidence as to the ownership of the land the subject of this reference. No other person attended the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land which is the subject of this reference and it will therefore be subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 13th day of March 1973

a. a. Baden Fuller

Commons Commissioner
