

In the Matter of Goldington's Green otherwise
Astey Green, Colne Engaine, Essex.

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 1 in the Register of Common Land maintained by the Essex County Council and is occasioned by Objection No. 295 made by the former Essex County Council as highway authority and noted in the Register on 5 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Colchester on 18 November 1981. The hearing was not attended by any person entitled to be heard, but the Chief Executive and Clerk of the Essex County Council informed the Clerk of the Commons Commissioners by letter dated 11 March 1981 that the Council wished to "withdraw" the Objection.

In these circumstances I confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
