

COMMONS REGISTRATION ACT 1965

Reference No.213/D/6-7

In the Matter of Barrow Wake, Badgeworth
and Cowley, Tewkesbury Borough Council

DECISION

These disputes relates to the registration at Entry No.1 in the Land Section of Register Unit No.CL.274 in the Register of Common Land maintained by the Gloucestershire County Council and are occasioned by Objection No.39 made by Wing Commander Huntly Macdonald and noted in the Register on 12th June 1970 and Objection No.515 made by Gloucestershire County Council and noted on the Register on 15th December 1972.

I held a hearing for the purpose of inquiring into the dispute at Gloucester on 17th February 1976. The hearing was attended by Mr.Daniels on behalf of the Tewkesbury Borough Council and Mr.Limbrick on behalf of the Gloucestershire County Council.

Wing Commander Huntly Macdonald withdraw his objection. Mr Limbrick claimed the three parcels of land coloured red on the plan annexed to Objection No.515 on behalf of the County Council as the Highway Authority and this objection was conceded by the Tewkesbury Borough Council.

For these reasons I confirm the registration modified so as to exclude the three parcels of land identified on the plan annexed to objection No.515.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
