

In the Matter of Kenton Green, Elmore,  
Gloucestershire.

DECISION

This reference relates to the question of the ownership of land known as Kenton Green Elmore, being the land comprised in the Land Section of Register Unit No. CL 236 in the Register of Common Land maintained by the former Gloucestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference the executors limited to settled land of Sir Anselm William Edward Guise, Bt claimed to be the freehold owners of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Gloucester on 8 February 1977.

There was no appearance at the hearing. The executors had previously "withdrawn" their claim by letter addressed to the Clerk of the Commons Commissioners.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore be subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 26<sup>th</sup> day of March 1977

Chief Commons Commissioner
