

In the Matter of Nibley Green, Blakeney in
the parish of Awre in the County of
Gloucester

DECISION

This reference relates to the question of the ownership of land known as Nibley Green, Blakeney, in the parish of Awre being the part of the land comprised in the Land Section of Register Unit No. VG 119 in the Register of Town or Village Greens maintained by the Gloucestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Gloucester on 9 December 1980.

Mr A A Legg, Chairman of Awre Parish Council attended the hearing but had no evidence to offer as to who was the owner of the land.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Gloucestershire County Council, as registration authority, to register Awre Parish Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
