

COMMONS REGISTRATION ACT 1965
DECISION (UNCLAIMED LAND)

Reference No 213/U/51

In the Matter of the additional piece
of Willersey Village Green Willersey
Cotswold D

DECISION

This reference relates to the question of the ownership of land known as the additional piece of Willersey Village Green, Willersey Cotswold D being the land comprised in the Land Section of Register Unit No VG 151 in the Register of Town or Village Greens maintained by the Gloucestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference B W Ingles claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Cheltenham on 9 February 1978. Mr A W Moore of Messrs Bam Hatton & Co appeared for the Ingles. The evidence relating to this additional piece of green was the same as that relating to Unit No VG 141 and for the reasons given on the Reference relating to that Unit Ref 213/O/50

On that evidence I am satisfied that Mr B W Ingles is the owner of the land, and I shall accordingly direct the Gloucestershire County Council, as registration authority, to register as the owner of the land under section 8(2) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
