

COMMONS REGISTRATION ACT 1965

Reference No 213/U/44

In the matter of ^{two} small pieces of land at
Yew Tree Mount, Painswick, Stroud District,
Gloucestershire.

DECISION

This reference relates to the question of the ownership of land, ^{two} small pieces at Yew Tree Mount containing about 0.234 of an acre, Painswick, Stroud District being the land comprised in the Land Section of Register Unit No CL 385 in the Register of Common Land maintained by the Gloucestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Gloucester on 21 November 1978. There was no appearance at the hearing. In a letter dated 18 November 1978, The Ramblers Association (the registration was made on their application) said they had no information as to ownership.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 11th — day of December — 1978
