

In the Matter of Westington Green  
Chipping Campden Cotswold D

DECISION

This reference relates to the question of the ownership of land known as Westington Green, Chipping Campden, Cotswold D, being the land comprised in the Land Section of Register Unit No. VG69 in the Register of Town or Village Greens maintained by the Gloucestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Gloucester on 13 October 1976.

Mr W M Haines a member of the Chipping Campden Town Council appeared but had no information as to the ownership of the land in question.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Gloucestershire County Council, as registration authority, to register Chipping Campden Town Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
