

COMMONS REGISTRATION ACT 1965

Reference No. 20/D/1

In the Matter of High Peak, Littleborough,
Rochdale Borough, Greater Manchester

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No.CL.19 in the Register of Common Land maintained formerly by the Lancashire County Council and now by Greater Manchester Metropolitan County Council and is occasioned by Objection No.74 made by Mr Albert Wright and noted in the Register on 4 December 1970.

All the persons entitled to be heard at the hearing of this dispute have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms are that the Commons Commissioner should sanction the withdrawal of the application for the said registration or alternatively refuse such registration on the grounds therein stated.

I am willing to give a decision in accordance with the proposed terms and I accordingly refuse to confirm the registration.

Dated this 14th day of November 1975

Commons Commissioner
