

COMMONS REGISTRATION ACT 1965

Reference No 50/D/25

In the Matter of land between Llyn Dinas
and roadside wall near Y Geirth
Beddgelert

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No CL 62 in the Register of Common Land maintained by the Caernarvonshire County Council and is occasioned by the conflicting registration at Entry No 1 in the Land Section of Register Unit No VG 13 in the Register of Town or Village Greens, maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Caernarvon on 31st January 1973. The hearing was attended by Mr G Llew Jones, the Chairman and acting Clerk of Beddgelert Parish Council. Mr G Llew Jones gave evidence, which is summarised in my decision relating to the same piece of land under the Reference No 50/D/24.

There was no evidence that this land was ever subject to rights of common, or that it ever formed part of the waste of a manor.

For these reasons I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
