

commons Registration Act 1965

Reference No.214/D/141 and 142

In the matter of Hillside Common (part) and
Rye Common (part) Odiham Dogmersfield and
Crandall Hart D.

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section and Entry No. 1 in the Rights Section of Register Unit No.CL.194 in the Register of Common Land maintained by the Hampshire County Council and is occasioned by Objection No. OB 151 made by Hampshire County Council and noted in the Register on 27 April 1978.

I held a hearing for the purpose of inquiring into the dispute at Winchester on 4 May 1978. The hearing was attended by Mr E Mason on behalf of the County Council. By a letter dated 3 May 1978 Messrs. Lamb Brooks and Bullock confirmed that their client Mr Herbert the applicant for rights had agreed that I should confirm the Entry in the Land Section modified so as to exclude the land coloured green on the plan (in three sections) annexed to his decision and that I should confirm the Entry in the Rights Section as applicable to the modified Entry in the Land Section and I confirm the Entry in the Land Section modified as aforesaid and the Entry in the Rights Section.

Mr Mason informed me that Mr Herbert has been provided with a copy of the above mentioned plan and for this reason the plan annexed to this decision will only be annexed to the copy sent to the Registration Authority.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 18th day of May 1978
