

COMMONS REGISTRATION ACT 1965

Reference No. 14/U/20

In the Matter of The Recreation Ground,  
Preston Candover, Hampshire.

DECISION

This reference relates to the question of the ownership of land known as The Recreation Ground, Preston Candover, being the land comprised in the Land Section of Register Unit No. V.G.62 in the Register of Town or Village Greens maintained by the Hampshire County Council, of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Mrs. Olivia Mills claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Winchester on 31st May 1972.

At the hearing Mr. John A.E. Gorst, who appeared for Mrs. Mills and her husband, produced title deeds which satisfied me that Mrs. Mills and her husband are the owners of the land in question as trustees of the will of William Burr deceased.

I shall accordingly direct the Hampshire County Council, as registration authority, to register Cecil Yarnton Mills and Olivia Pamela Beaujolois Mills as trustees of the will of William Burr deceased as the owners of the land.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 26<sup>th</sup> day of June 1972

  
Chief Commons Commissioner
