

COMMONS REGISTRATION ACT 1965

Reference No 214/D/28

In the Matter of Warnborough  
Green (part), Odiham, Hart D

---

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No CL. 175 in the Register of Common Land maintained by the Hampshire County Council and is occasioned by Objection No OB 583 made by Mrs N E G Champion and noted in the Register on 24 February 1971.

I held a hearing for the purpose of inquiring into the dispute at Winchester on 3 May 1978. The hearing was attended by Mr P Dungay of Messrs Foster Wells & Coggins on behalf of Mrs Champion.

All the Entries in the Rights Section having been withdrawn prior to the hearing and since no concerned authority appeared, to contest Mrs Champion's objection, I refused to confirm the registration which as Mr Dungay told me was manifestly made in error.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 12<sup>th</sup> day of July 1978
