

COMMONS REGISTRATION ACT 1965

Reference No. 15/U/38

In the Matter of Coldstone Common, Kingstone,
South Herefordshire D., Hereford and Worcester County

DECISION

This reference relates to the question of ownership of land known as Coldstone Common, extending to about 4 acres, (South Herefordshire District, Kingstone) (formerly Dore and Bredwardine Rural District) being the land comprised in the Land Section of Register Unit No. CL.142 in the Register of Common Land maintained by the Hereford and Worcester County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Herefore on 11 December 1974. At the hearing Kingstone and Thrupton Group Parish Council were represented by Mrs. M. Boyce, their clerk.

Mrs. Boyce said that she had no evidence of ownership to produce on behalf of the Parish Council.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required, by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 18th day of ~~11~~ December 1974.

Commons Commissioner
