

COMMONS REGISTRATION ACT 1965

Reference No. 215/U/<sup>40</sup>~~410~~

In the Matter of The Manhole Putney Lane,  
Romsley

---

DECISION

This reference relates to the question of the ownership of land above mentioned being the land comprised in the Land Section of Register Unit No.CL.104 in the Register of Common Land maintained by the Hereford and Worcester County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Mrs A M Millington claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Worcester on 25 May 1983.

Mr L J Sanders of Messrs. Banks and Silvers, Chartered Surveyors of Bromsgrove appeared for Mrs Millington but was unable to produce any evidence to support her claim to ownership.

On this evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of this decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 9<sup>th</sup> day of June 1983

Commons Commissioner
