

COMMONS REGISTRATION ACT 1965

Reference No. 216/D/67

In the Matter of Batchworth Heath (part),  
Rickmansworth, Hertfordshire (No. 1)

---

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 308 in the Register of Common Land maintained by the Hertfordshire County Council and is occasioned by Objection No. 119 made by the former Rickmansworth Urban District Council and noted in the Register on 1 February 1972.

I held a hearing for the purpose of inquiring into the dispute at Hertford on 9 October 1984. The hearing was attended by Mr D J A Kemp, Solicitor, on behalf of the Three Rivers District Council, the successor to the Objector. There was no appearance on behalf of William Old Ltd, in consequence of whose application for the registration at Entry No. 1 in the Rights Section of the Register Unit the registration in the Land Section was made, but that company stated in a letter dated 8 October that the request for the registration was "withdrawn".

There being no other party seeking to support the registration the subject of this dispute, I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
