

COMMONS REGISTRATION ACT 1965

Reference No. 219/D/7

In the Matter of Mead Manor Green,
Broad Oak, Sturry, Kent

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No.VG.129 in the Register of Town or Village Greens maintained by the Kent County Council and is occasioned by Objection No. 24 made by Mr U H B Alexander and Mr W R Young and noted in the Register on 2 June 1970.

I held a hearing for the purpose of inquiring into the dispute at Maidstone on 7 June 1979. The hearing was not attended by any person entitled to be heard, but before the hearing solicitors acting on behalf of the Sturry Parish Council, the applicant for the registration, informed the Clerk of the Commons Commissioners by letter that the Council no longer wished to pursue the application.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 25th day of June 1979

Chief Commons Commissioner
