

COMMONS REGISTRATION ACT 1965

Reference No.45/U/180

In the Matter of Old Smithy Copse,
Bashall Eaves, Ribble Valley District,
Lancashire

DECISION

This reference relates to the question of the ownership of land known as Old Smithy Copse, Bashall Eaves, Ribble Valley District (formerly Bowland Rural District) Lancashire (formerly Yorkshire West Riding) being the land comprised in the Land Section of Register Unit No.CL.283 in the Register of Common Land maintained by the Lancashire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Skipton on 3 April 1974. No person attended the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore be subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 11th day of April 1974.

Commons Commissioner
