

COMMONS REGISTRATION ACT 1965

Reference Nos 221/U/4
221/U/5

In the Matter of (1) land adjoining
Main Street and (2) land adjoining
Backside, Walton, Harborough District,
Leicestershire

DECISION

These references relate to the question of the ownership of (1) land (2 pieces) adjoining Main Street at its junction with Backside and (2) land adjoining Backside and south of the other land, both in Walton, Harborough District being the lands comprised in the Land Section of Register Unit (1) No CL. 81 and (2) No CL. 82 respectively in the Register of Common Land maintained by the Leicestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of these references no person claimed to be the freehold owner of the lands in question and no other person claimed to have information as to their ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the lands at Leicester on 21 April 1977. There was no appearance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the lands, and they will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 21st day of April ————— 1977

Commons Commissioner
