DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No CL. 64 in the Register of Common Land maintained by the Leicestershire County Council and is occasioned by Objection No 66 made by the said Council and noted in the Register on 7 June 1971.

All the persons entitled to be heard at the hearing of this dispute have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms dated 8 April 1975 are that the Commons Commissioners do confirm the registration of the land as Common Land as to the land edged green on the plan annexed to the said terms and do refuse to confirm the registration of the land as common land as to the land coloured red on the said plan.

I am willing to give a decision in accordance with the proposed terms and I accordingly confirm the registration with the following modification that the land coloured red on the said plan be removed from the Register.

Dated this 30<sup>th</sup> day of June —

1976
