

COMMONS REGISTRATION ACT 1965

Reference No. 22/U/1

In the Matter of The Common Pit,
Long Sutton, Lincolnshire (Parts
of Holland)

DECISION

This reference relates to the question of the ownership of land known as the Common Pit, Long Sutton, being the land comprised in the Land Section of Register Unit No. C.L.1 in the Register of Common Land maintained by the Holland County Council, of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Boston on 15th March 1972.

In the absence of any evidence, I am not satisfied that any person is the owner of the land. The land will therefore fall into protection under s.9 of the Act.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 28th day of March 1972

Chief Commons Commissioner
