

COMMONS REGISTRATION ACT 1965

Reference No 225/D/22

In the Matter of Alderford Common,
Swannington, Broadland D

DECISION

This dispute relates to the registration at Entry No 1 in the Ownership Section of Register Unit No CL. 186 in the Register of Common Land maintained by the Norfolk County Council and is occasioned by Objection No 352B made by Swannington Parish Council and noted in the Register on 23 January 1969.

I held a hearing for the purpose of inquiring into the dispute at Norwich on 13 January 1977. The hearing was not attended by any person entitled to be heard, Mr Munford who claimed ownership of part of the land having by his solicitors notified the Commons Commissioner that he did not intend to pursue his claim.

For these reasons I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 28th day of April 1977

C. J. Little

Commons Commissioner
